4	stringent than the provisions of this part.
5	Section 9. Cigarette vending machines. (a) The sale of cigarettes from vending machines is
6	prohibited unless the vending machine is located in a bar, cabaret, or any establishment for which the
7	minimum age for admission is eighteen.

11	Section 10. Regulation of smoking in the office workplace. (a) Each employer in the
12	Commonwealth shall within three months of the effective date of this Act, adopt, implement, and maintain
13	a written smoking policy which shall contain, at the minimum, the following provisions and requirements:

15	the employee's workplace, the employer, using already available means of ventilation or
16	separation or partition of office space, shall attempt to reach a reasonable
17	accommodation, insofar as possible, between the preferences of non-smoking and
18	smoking employees; provided that an employer is not required by this Act to make any
19	expenditures or structural changes to accommodate the preferences of non-smoking or
20	smoking employees; and
21	(2) That if an accommodation which is satisfactory to all affected employees
22	cannot be reached in any given office workplace, the preferences of a simple majority of
23	employees in each specifically affected area shall prevail and the employer shall
24	accordingly prohibit or allow smoking in that particular area of the office workplace. If
25	the employer's decision is unsatisfactory to the non-smoking employees, a simple
26	majority of all non-smoking employees can appeal to the Director of the Department of
27	Public Health and Environmental Services for the determination of a reasonable
28	accommodation. Where the employer prohibits smoking in an office workplace, the area
29	in which smoking is prohibited shall be clearly marked with signs.
30	(b) The smoking policy shall be announced within two weeks of the vote of preferences
31	of the employees in each respective work area and posted conspicuously in all the affected

34	places and under the following conditions within the Commonwealth:
35	(1) Any property owned or leased by federal governmental entities; or

1	(2) Private enclosed office workplaces occupied exclusively by smokers, even though
2	such office workplaces may be visited by non-smokers, excepting places in which smoking is
3	prohibited by other law, rule, or regulation.
4	Section 12. Penalties and Enforcement. (a) The Director of Public Health and Environmental
5	Services shall enforce Section 10 of this Act by the following actions:
6	(1) Serving notice requiring the correction of any violation of this part;
7	(2) Calling upon the attorney general to maintain an action for injunction to
8	enforce this part, to cause the correction of any violation, and for assessment and
9	recovery of a civil penalty for such violation; or
10	(3) Calling upon the governor to enforce compliance.
11	(b) Any person who violates Section 10 of this Act shall be liable for a civil penalty not
12	to exceed \$500, which penalty shall be assessed and recovered in a civil action in any court of
13	competent jurisdiction. Each day such violation is committed or permitted to continue shall
14	constitute a separate offense and shall be punishable as such.
15	(c) Any member of the general public may request the Department of Public Health and
16	Environmental Services to enforce any provision of Section 10 of this Act.
17	(d) In enforcing this Act, the Commonwealth is undertaking only to promote the general
18	welfare. It is not assuming, nor is it imposing on its officers and employees an obligation, for
19	breach of which it is liable in money damages to any person who claims that such breach
20	proximately caused injury.
21	Section 13. Severability. If any section of this Act should be declared invalid by a court of
22	competent jurisdiction, the remainder of this Act shall not be affected thereby.
23	Section 14. Effective Date. This Act shall take effect upon its approval by the Governor, or upon
24	its becoming law without such approval.
