## **TWENTY-SECOND NORTHERN MARIANAS COMMONWEALTH**

#### LEGISLATURE

#### IN THE HOUSE OF REPRESENTATIVES

Regular Session, 2021

H. B. 22- 90

#### A BILL FOR AN ACT

To create a "CNMI Road & Highway Regulatory Signs" account separate from the general fund; and for other purposes.

### BE IT ENACTED BY THE 22<sup>ND</sup> NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

1 Section 1. Findings and Purpose. The Legislature finds that under 1 CMC § 2403, the Department of Public Works is responsible to construct and maintain 2 3 all public roads as well as the construction, maintenance, and operation of public 4 signs and traffic signals. Sadly in the CNMI, traffic accidents occur regularly with 5 incidents involving damaged public signs or traffic signals. In many cases, drivers 6 rely on road signs to keep us safe and to ensure we are moving in the right direction. 7 So to combat accidents from happening in the future and to keep drivers in the CNMI safe on public roads or highways, this bill proposes to create a separate 8 9 account called the "CNMI Road & Highway Regulatory Signs" account separate 10 from the general fund specifically for the purpose of having the Department of Public Works construct, maintain, and operate public signs and traffic signals as
 stated under 1 CMC § 2403 (b).

3 The Legislature further finds that by creating a separate account for the 4 Department of Public Works (DPW), specifically for purposes stated in 1 CMC § 2403 (b), the Department of Public Works (DPW) can expeditiously contruct, 5 maintain, and operate public signs and traffic signals in a manner that does not 6 jeopardize the lives and safety of CNMI drivers. Under the current law, if a traffic 7 8 accident occurs where a public sign or traffic signal is damaged by a vehicle, the 9 vehicle's insurance company, depending on the type of insurance, almost always 10 pays for the damages caused by the operator of the vehicle or by the person at fault. In this case, insurance companies then assess the damage and get the necessary 11 12 documents or quotes to replace the damaged public sign or traffic signals and then 13 pay or in the CNMI's case deposit the money into the general fund to were many government agencies can have a piece of that money. So to avoid such an issue, it 14 is important to expeditiously construct, maintain, and operate public signs and 15 traffic signs to avoid putting CNMI drivers' lives are not put in danger when driving 16 17 on CNMI roads or highways.

18 Section 2. Enactment. Subject to codification by the Commonwealth Law
19 Revision, the following is hereby enacted and read as follows:

20

# "§ XX. CNMI Road & Highway Regulatory Signs Account.

# HOUSE BILL 22.90

2account to be known as the CNMI Road & Highway Regular3Signs account, which should be maintained separate and a4from other funds, including the General Fund of the Governm5and independent records and accounts shall be maintained6connection herewith.7(1) Money from the CNMI Road & Highway Regular8Signs shall be used to pay for the construct9maintenance, and operation of public signs and tra10signs in the CNMI as stated in 1 CMC § 2403 (b).11(2) All revenues deposited in the account are reserved12use by the Department of Public Works for13construction, maintenance, and operation of public signs14and traffic signs.15(3) Nothwithstanding any CNMI law or regulation to contrary, the monies collected shall be deposited into17CNMI Road & Highway Regulatory Signs account18which should be a revolving fund account, and funds at the end of the fiscal year shall not lapse and stated
