

CITIZEN-CENTRIC REPORT FY 2026

MISSION STATEMENT

The Department of Lands & Natural Resources' mission is to sustain, enhance, protect, and conserve Tinian & Aguiguan's natural, historic, and cultural resources for present and future generations.

GENERAL OVERVIEW

- * To provide efficient public services for the farming and ranching community and other community groups in all areas related to the natural resources development and for the promotion of local products.
- * To enforce the protection and conservation of forests, wildlife, marine, and other related natural resources. To ensure the protection of the islands from the introduction of invasive species that will cause harmful effects to our natural resources and community.
- * To maintain and improve historical sites, public parks, and other government facilities for recreation and economic purposes.

2026 CITIZEN CENTRIC REPORT

LOOKING AHEAD

- * Department lacks sufficient funding to repair the constant breakdown of our 2 tractor mowers to serve our ranchers while at the same time, trying to find ways to find funding source.
- * Despite limited funding, our department will strive to expand our Forestry activities in regards to beautification projects in conjunction with the Municipal Government.
- * Will continue to coordinate more closely with our Saipan counterparts with every available resources for our department to function adequately to the most extent possible.
